DRIVER INFORMATION

DRIVER AGE

Minimum driver age for the vehicle that you selected is 21.

Maximum driver age for the vehicle that you selected is 99.

Please note that Young/Senior Driver fees will only be displayed correctly if you entered your age correctly in the search criteria. If you add Additional Drivers to your rental and any of them are considered Young/Senior Drivers, you may have to pay both an Additional Driver Fee and a Young/Senior Driver Fee.

Different driver age restrictions apply to different vehicle groups and these are applied automatically to all online rental searches. If you entered your correct age and the online search returned a specific vehicle group, you are eligible to rent it. Please note that the same restrictions apply to all Additional Drivers.

Please note that exceptions to driver age requirements as well as additional requirements may apply in certain locations within your rental country. For specifics, please contact the rental car supplier directly.

OTHER IMPORTANT INFORMATION

NOTICE

For the purposes of this document, "we", "us" and "our" refer to DriveAway, "you" and "your" refer to the person booking a vehicle rental, and "Supplier" to the specific rental company who will be providing the vehicle. Please also keep in mind that the Terms and Conditions are subject to change without prior notice. These Terms and Conditions are of informative nature. The legally binding document is the Rental Agreement between you and the Supplier that you agree with when the Supplier hands the rental vehicle over to you. DriveAway does not take any responsibility regarding any agreements you make with the Supplier.

Please note that the names of coverage products, fees, charges, optional extras, etc., used by the Supplier may not be exactly the same as the ones displayed on our website. The names here are standardised in order to better compare different Supplier offers.

All rates indicated here have been converted into your preferred currency and may be rounded up. We are not responsible for exchange rate fluctuations.

PARKING AND TOLL FEES, TRAFFIC FINES

Please keep in mind that you are responsible for all garaging and congestion charges, parking and other traffic fines and penalties, and toll fees / road tax (if not specified otherwise) incurred during the rental period. All such charges will be forwarded to you along with any administrative charges from us or the Supplier.

VEHICLE CONDITION

You must return the vehicle in the same condition as it was in when you received it, minus the normal wear and tear. The Supplier will charge you at their own rates for any excessive staining/soiling and/or for both internal and external damage (including strong smells). You are responsible for inspecting the vehicle upon pick-up/drop-off and for the cost of any new damage found at the end of your rental period.

If the vehicle requires more than the Supplier's usual cleaning, you will be subject to a special cleaning fee of EUR 61.00–197.93. A Damage Administration Fee of EUR 102.60–123.12 is applicable if damage has occurred to the vehicle or in case of theft during your rental period. This is charged in addition to the excess. It is charged separately for each damage causing incident.

Please check with the Supplier at the time of vehicle pick-up for details on how to report damage, collisions, theft, vehicle confiscation, impounding, etc. Failure to comply with the correct procedure may result in your insurance coverage becoming invalid and/or the Supplier terminating the rental.

Please note that it is strictly forbidden to smoke in the rental vehicle. A penalty fee will be charged for an odour removal service if you smoke in the vehicle.

ROADSIDE ASSISTANCE

The Supplier offers limited roadside assistance. Please check for details when picking up the vehicle.

LOST, DAMAGED AND STOLEN ITEMS

You are responsible if the key(s) are lost or damaged and due to pay a penalty fee to the Supplier of the vehicle. Please keep in mind that if you do not return the keys to the Supplier when the car is stolen, your insurance is deemed void and you might be held responsible for the full value of the vehicle. It is important to keep an eye on the keys as it is impossible to steal some newer models without them. In order not to direct any potential thieves to the details of your rental vehicle, it is highly recommended that you take all rental tags off the key(s) and keep them in the glove box until returning the car. Let it be noted that key(s) refer to all types of keys and key-cards. The lost keys penalty fee is EUR 102.60–123.12. The same penalty fee applies to lost rental vehicle documents as well.

SAFETY EQUIPMENT

Please keep in mind that you must use the correct kind of safety equipment as required by law in your destination country, so we strongly advise you to familiarise yourself with the requirements before travel and book necessary extras (such as baby seats) beforehand. If you book any type of child seat, most Suppliers will not install it in the rental vehicle and you will be responsible for fitting it yourself.

VEHICLE GROUP/MODEL

The make and model of the car displayed are only guaranteed if it is clearly stated so in the offer. Generally, the particular car displayed on the voucher is only for reference and the Supplier reserves the right to substitute it for an alternative, similar or upgraded car. If the vehicle on your voucher becomes unavailable at the time of booking due to a breakdown or an accident, the Supplier will provide you with a similar or upgraded vehicle.

BOOKING AMENDMENTS

You must inform us of amendments before your rental period is due to start. Please keep in mind that fees may apply.

CANCELLATIONS AND REFUNDS

You must inform us of cancellations before your rental period is due to start. Please keep in mind that fees may apply.

LOCAL TAX NOTICE

We do our best to ensure that all the prices we display are inclusive of tax. However, please keep in mind that local taxes and fees, like airport surcharges, may be additionally applied by the Supplier on locally paid extra charges, like optional equipment and age-related fees. Local taxes and fees are controlled by local authorities and the Suppliers and may be subject to change.
